This magical 1954 production, set to Tchaikovsky’s incredible score, includes the full New York City Ballet company and two casts of School of American Ballet students, as well as an onstage blizzard and a Christmas tree that grows from 12 to 40 feet. Snowman Banana Nog

INGREDIENTS

5 cups whole milk or oat milk
 1/4 cup confectioners' sugar, plus more for sprinkling
 1 teaspoon pure vanilla extract
 1 teaspoon freshly grated nutmeg, plus more for sprinkling
 1/4 teaspoon ground allspice
 4 bananas, sliced and frozen
 Whipped cream, for topping

DIRECTIONS

Special equipment: a hot-glue gun and glue sticks; 12 black buttons; 4 plain-sided pint-size (16-ounce) mason jars; red or green felt; a ruler; scissors; 4 paper or metal straws

Heat a hot-glue gun.

Glue 3 buttons down the front of 4 pint-size (16-ounce) mason jars. Cut 4 strips of red or green felt, each 1 1/4 inches by 18 inches. Snip fringe into the ends of the felt with scissors. Wrap a felt scarf around the neck of each jar.

Put the milk, sugar, vanilla, nutmeg, allspice and banana in a blender and blend on high speed until the banana liquifies and the drink is thick and creamy. Pour into the decorated jars and mound whipped cream on top of each drink so it's taller than the rim. Grate more nutmeg on top. Insert a straw and sprinkle confectioners' sugar snow over everything.
